

Mr. Ralph Jollette
Nature's Appeal Mfg, Corp.
1788 Whispering Court
Addison, IL 60101

Dear Ralph,

Thank you again for expediting our order of Nature's Appeal. We were very happy to receive our case within two days.

We've been a big fan of your product for years now. We use it in our professional environment, as well as in our home. If there is ANY odor we want to eliminate, we use Nature's Appeal. We've raved about it so much; we've given it to friends and family for their use as well.

After discovering how quickly and effectively it eliminated odors from our worksites, we began using it at home. We no longer worry about cooking fried foods, having smokers around or dirty work clothes in the laundry – all because we have your product. With its convenient size, we've also use it in the company's work vehicles.

We seriously cannot live without Nature's Appeal, so keep up the good work and if you ever change locations, please remember to contact your number one fans!

Sincerely,

Pat and Pat
