To Nature's Appeal Mfg, Corp:

I just wanted to drop a line to say how very pleased I am with your product.

I have tried others, but they could not compare with Nature's Appeal.

The scent is very pleasant and not overpowering.

It lasts for months instead of weeks, like other products.

I use it everywhere, especially when I have gotten some water in the basement or crawl space.

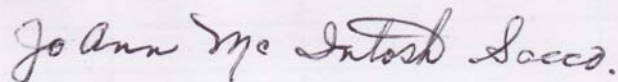

There is one in the crawl space at all times to keep it fresh.

I am very satisfied with your product.

Thank you for making it available,

Sincerely,

JoAnn McIntosh Sacco
